

MOVE FOR LIFE

SOUTH SURREY WHITE ROCK

Get Active for Better Health!

Most Canadians are not active enough in their day. Are you one of them? Just 30 minutes of activity most days of the week can do all of this:

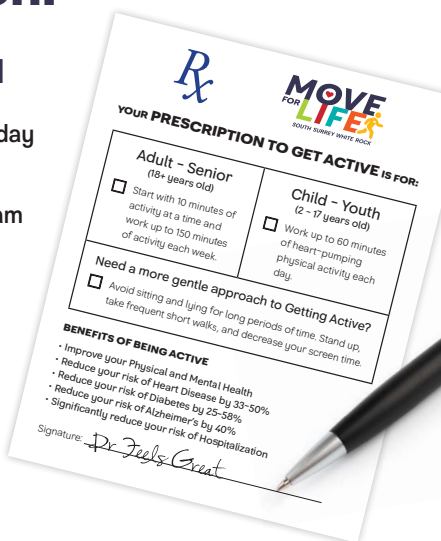

- Improve your Physical and Mental Health
- Reduce your risk of Heart Disease by 33-50%
- Reduce your risk of Diabetes by 25-58%
- Reduce your risk of Alzheimer's by 40%
- Significantly reduce your risk of Hospitalization

GETTING ACTIVE...

The "Feels Great" Prescription!

Getting Started

- Plan to walk more every day
- Talk to a friend about starting a walking program
- Visit the Generations Playground
- Enroll in an aquafit, water walking or gentle joints class at your local pool
- Consider a pedometer or other activity tracking device
- Check out our local Community Recreation programs:
