## Part IV: Physician Consent of Referral

Your patient wishes to participate in the Fitness and Mobility Exercise Program (FAME) for people with stroke. This program will include a 5 minute warm-up, 15 minute functional strengthening (e.g., repetitive sitto-stand), 15 minutes fitness and agility (e.g., step ups while holding onto support), 15 minute balance component (e.g., standing and reaching) and a 5 minute stretching component. The classes run two times a week over an 8 to 12 week period. The intensity will be gradually increased to a moderate intensity at 60% of age-predicted heart rate maximum (i.e., fairly light to somewhat hard effort).

	over an 8 to 12 week period. The intensity redicted heart rate maximum (i.e., fairly li	y will be gradually increased to a moderate intensity at 60% of ght to somewhat hard effort).					
Physi	cian's Recommendation (please check be	ox)					
I auth	orize the applicant to participate in the FA	AME program					
	I am NOT aware of any contraindications I believe the applicant can participate, but	s toward participation in this program t urge caution because:					
	☐ The applicant should NOT engage in the following activities:						
	Physician's Signature	Physician's Signature					
	Contact Number:	Date:					
	nformation will help us determine whethe completed, please email this form to:	er your patient is appropriate for the program.
