CROSS-CULTURAL MENTAL HEALTH: RESEARCH AND PRACTICE FORUM

Join us to learn, share and network with researchers, practitioners and students interested in improving the cultural safety and relevance of evidence-informed mental health practices.

Featuring:

- A keynote presentation by Dr. Farooq Naeem on Culturally Adapted Cognitive Behavioural Therapy for Canadians of South Asian origin
- A networking poster and showcase session
- A panel discussion to further explore adapting mental health care for equity-deserving communities

Where: NEW SFU Surrey Campus building on University Drive (SRYE), 10285 University Dr, Surrey, BC V3T 0N1

When: May 5th 2023, 8:45am - 1:00pm

Cost: Free
